

The Iconic Woman

Mastermind & Feminine Leadership Development Program

Created By

**EKENE ONU
FOUNDER & LEAD COACH
ICONIC WOMANHOOD**

Deliverables

- THE ICONIC WOMANHOOD MASTERMIND
- is an 8 month high level cohort coaching experience with Master Feminine Leadership Coach, Ekene Onu.
- The whole program is built on a Discover, Design and Launch framework which involves the following deliverables.
- Participants discover both their blocks, ego challenges, self limiting behavior that could be holding them back AS well as their strengths, feminine leadership archetype, and Iconic™ factors.
- Participants also learn interpersonal savvy, conflict management and emotional and social intelligence skills during the various classes in empathy, creating high performing teams and tribes.
- Participants grow as leaders through mastery of organizational leadership tools like systems thinking and using models.
- They also learn high performance self care for leaders as they understand how to prioritize their lives for maximum productivity without sacrificing well-being.

- Learn core business strategies both offline and online to help identify your target market, product/service offering and how to position and package it for success.
- Create a launch & visibility strategy to deliver your iconic level platform and/or new professional brand
- Participants will learn how to build a magnetic standout iconic personal brand!
- Participants will also increase their awareness and mastery of spiritual and intuitive intelligence which Forbes magazine has highlighted the data that suggested that it is more superior than having cognitive intelligence alone.
- Because of the cohort based model, participants will form deep connections with other feminine leaders across world from various sectors and industries. They will also be placed in community with the hundreds of professional women who have joined the Iconic Womanhood Community as rising change–agents, leaders and high achieving women.
- Participants will have the opportunity to complete a capstone project to deepen the learning through experience but also this capstone can become the cornerstone of a new offering.
